

EXCITING FOLLOW-ON CALLS HAPPENING AT SWAN IN MAY

Portfolio companies are looking for our support as they accelerate their *growth!*

SWAN ANGELS HAVE A UNIQUE OPPORTUNITY TO INVEST ALONGSIDE EXISTING PRIOR INVESTORS*

**to extent capacity is available*

NanoPharma Solutions

Pitch: May 6th @ 3 PM CT

They are woman-led and use a proven & proprietary vacuum deposition technique to solve poor absorption of drugs by the body.

Yotta Energy

Pitch: May 15th @ noon CT

They are successfully selling their commercial, roof top solar storage solution. SWAN is looking to add to our \$1.6M previously invested.

Pure Blue Tech

Pitch: May 9th @ noon CT

Dramatically reduces the operating cost of reverse-osmosis water purification and is gaining traction with utility and industrial customers.

Pecos Wind Power

Pitch: May 22nd @ 11:30 CT

Installed their first, community – scale wind turbine. Their turbines can be fully installed, start-to-finish, in just a few days.

Bodhi

Pitch: May 14th @ noon CT

Speeds the installation of residential solar and has annual contract revenue of \$1M and is growing revenue 7% month-on-month.

Hubly Surgical

Pitch: May 23rd @ noon CT

Led by a young female CEO, Hubly is looking to accelerate the market penetration of their breakthrough cranial surgical device.
