

SWAN Subject Matter Expert Agreement

Working Relationship with SWAN: SWAN may periodically ask me to provide feedback on a company whose technology or market focus matches my area of expertise. SWAN agrees that I may decline any specific request for feedback.

Conflict of Interest: If I have any sort of financial connection with a company for which SWAN is asking for feedback, I agree to recuse myself from providing feedback.

Confidential information: SWAN agrees to share with me only information that is not covered by a non-disclosure agreement between the company and SWAN.

I agree to not retain any written material shared by SWAN on the company unless I receive permission from the company to do so.

I agree to not knowingly use residual knowledge about the company that I have learned through this activity in a way that is detrimental to the company.
